Dear Mr. Roberts:

On December 22, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 4, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You state that the May 27, 1998 contribution should have been designated for the Primary Election. Records at the Commission indicate that at the time of the receipt of this contribution, the Ohio Primary had already occurred and your committee has never reported outstanding debts for that election. It appears, therefore, that this contribution should be either refunded or redesignated to a future election (see 11 CFR 110.2(b)(5)).

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact David Hume on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in dark ink, appearing to read "John D. Gibson", is written over a horizontal line.
